

RESULTS

OF COURSE, the immediate result of steady saving is gathering together of wealth in the protection of the bank, conferring upon you the power to command a certain share of the world's material valuables and pleasures. But the ultimate—the important results of saving and banking of money are a strengthened character, a dominant will, and a sane and sensible cognizance of the greater, the basic joys of humanity.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The Proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F.
